Please let me know who is now looking after the Gardens at Seremban and the one at Kelau? Can one not get some respectable Mahomedan gentleman to be in charge of them as many hope — Some one who could take special interest in the experimental & botanical content of the bungs connected with the Gardens (subject of course to the orders of Museum Supt) would be of great advantage I feel —

Do you think let me know whether I could visit Seremban, Kelau and Ulu Langat now at any time? & undertake the work without any allowance?

Please let me know by return — Yrs. 15. 2. 1901

Dear Sir,

Your letters have been duly received. You might by this time have learnt that one Abdul Khalik has been appd Hazim of the Gumbuz.

Your idea to do some honorary Service in connection with the Gumbuz and the Mokabara at Kila is no doubt very laudable, but your letter contains no definite proposals on the subject. Will you [illegible] come right to Sirpur Jaipalam & Kolar and visit the Lodges & and send the Reports of the Mukt dept? Please let me have your views definitely

Sir,

I beg to submit herewith the
letter received from Mr. T. V. Noor
Kamal Uddeen Ali Khan Sahib retired
Assistant Commissioner and Munsalib
to His Highness the Maharaja of Mysore,
praying for the [illegible]s of Government
on the letter he wrote to you in reply
to the one sent to him in the matter of

his being appointed as Honorary Su-
-perintendent of the Gumbuz at Sreerunga
-patna and that at Kolar in considera
-tion of his being the descendant of some
-of those who have been interred there.
He says that Mr. Madiya, Rao Baha
-dur, while Deputy Commissioner
here, favored the idea and in fact
thought that it was conducive to the pro
-per management of the said institution,
and that Mr. Thamboo Chattiyar C.I.E.
while officiating as Dewan expressed him
-self in similar terms and wrote a
letter to your predecessor. He also adds
that the late Mr. B. Krishniengar C.S.I
while Deputy Commissioner of Kolar
wrote that his father was the rightful
person to succeed to the Managership of
the

the institution at Kolar, he being the son of the late Nabob Meer Muhamed Ali Khan.

2. In the presence of the above opinions my humble view need not be submitted, but I may perhaps venture to state that it seems meet to appoint a Mussalman gentleman to superintend the affairs of Muhammedan religious institutions and it would further be a fitting need to a descendant to have the care of the country of his ancestors. Now Hindoos have charge of these institutions, which is something like appointing Musulmans to look after Hindoo temples.
